

## **TREE of HAZEL WOOD (Revised Edition 2014)**

It has been forty years since Vere Heazlewood first published 'the black book', Tree of Hazel Wood. He initially printed 500 copies and then another 500 one year later. Over the ensuing years until his death in 2003, Vere received many requests for a copy of the book should it ever be reprinted.

Around 2010, Vere's family decided that we would definitely reprint the book and revise/update it in the same process. It is now ready to go to the printer and will be launched at Longford, Tasmania on Sunday 9<sup>th</sup> March, 2014.
